About Us

Luxury Aircraft Solutions specializes in providing seamless supplemental lift services tailored specifically for corporate flight departments and operations. We understand the precise standards, rigorous expectations, and operational intricacies of corporate aviation, ensuring our services blend effortlessly with your existing flight department.

Our mission is to support your flight operations by delivering dependable, flexible, and efficient aviation solutions that uphold the high standards your team expects internally. Whether addressing increased operational demand, covering aircraft maintenance periods, or fulfilling specialized mission requirements, our experienced team ensures continuity, precision, and comfort for your executives and personnel.

Backed by extensive industry experience and a reputation for exemplary service, Luxury Aircraft Solutions offers access to a diverse and robust fleet combined with unparalleled operational flexibility. Our dedicated aviation specialists work closely with your internal teams to guarantee a smooth integration and consistently deliver excellence.

We look forward to enhancing and supporting your corporate aviation capabilities with personalized, reliable solutions designed specifically for your operational needs.

Company Stats

Our mission is to deliver reliable and flexible private jet solutions that complement and support corporate flight departments. Through strategic growth and continued investment in our platform, we've positioned ourselves as a trusted provider of supplemental lift—enabling flight departments to maintain operational continuity, manage overflow demand, and optimize internal resources.

14+

YEARS IN BUSINESS

Established in 2011 with offices in NY and FL, Luxury Aircraft has grown into an award winning service and recipient of Inc 5000 fastest growing private companies.

5,000+

AIRCRAFT AVAILABLE

We partner with industry leading operators to offer you an unmatched selection of aircraft. By understanding your specific aircraft and pilot requirements, we ensure that only the most suitable options are presented - so you can choose confidently.

15,000+

FLIGHTS CHARTERED

At Luxury Aircraft, we're honored to welcome new and returning clients year after year. Our extensive industry network, spanning aircraft operators, FBO's, concierge services, and fuel providers, continues to expand our reach, allowing us to deliver more charters and elevated service with every flight.

A man in a dark suit, white shirt, and dark tie is seated in a private jet cabin. He is smiling and looking at a laptop on a polished wooden desk. A glass of champagne is on the desk next to the laptop. The cabin has wood-paneled walls and a large window. An "EXIT" sign is visible in the upper right corner.

EXIT

Luxury Aircraft prioritizes safety and reliability above all, maintaining meticulous operational standards and industry-leading technology backing our operation. Giving you peace of mind for every corporate mission.

Aircraft Pedigree

Luxury Aircraft exclusively partners with industry-leading aircraft operators, meticulously selected for their adherence to stringent safety standards, superior operational records, and comprehensive safety certifications, including ARGUS, Wyvern, and IS-BAO ratings.

Transparency

Transparency is central to our service. We provide detailed aircraft information, including manufacture dates, refurbishment histories, cabin configurations, range capabilities, and onboard amenities. This ensures that your flight department has complete confidence and clarity in every aircraft utilized, aligning seamlessly with your internal safety and operational standards.

Commitment

Our commitment to transparency and excellence means you always have full visibility into the aircraft specifications, enabling informed decisions and assurance that each mission meets your expectations.

We work with you to document any aircraft specifications, pilot requirements, process and protocol requirements to insure our teams function as a cohesive unit.

Peak Season Overflow

Need additional aircraft to handle travel needs and your current fleet can't scale?

Simultaneous Travel

Do you need your aircraft to be in two different places at the same time?

Fleet Limitations

Performance or cabin configurations not meeting the missions needs?

Aircraft Maintenance

Planned or unplanned maintenance disrupting corporate travel?

JetMembership

■ Benefits

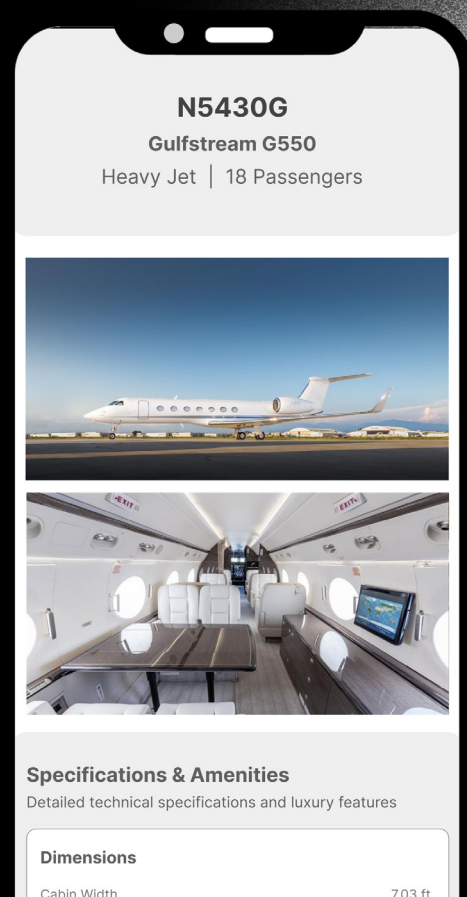

Memberships need to go beyond just a cost savings when flying.

As flying frequency varies for our customers, we have set out to create a more benefits within our memberships that go beyond cost savings of flights. From in-flight catering, select hotels, villas, and FBO safety services, our members benefits continue to grow each year.

■ Vision

To create a relationship with our customers as trusted travel partners in operational expertise, booking, and create next level experiences.

We aren't just setting out to book aircraft to get you from A to B. We are looking to create an ecosystem of experiences that allow us to understand our members needs and create a step by step travel solution for business colleagues, family and friends. Our growing network of members and partners has expanded our member benefits beyond just aircraft charter.

Our Expertise

■ Responsive

Every flight department gets a main point of contact specialist as well as a minimum of 2 additional back-ups trained on all of your operations, relationship and requirements. This is to ensure that in any scenario, you are completely covered.

■ Extension of Your Team

We operate as an extension of your team. If you have specific service level agreements or protocols, we can adhere to almost any internal operational policy needed.

■ Discretion

With over 14 years of experience, Luxury Aircraft operates every flight with the utmost discretion. We honor all NDAs and ensure that every detail, from mission objectives and destinations to passenger identities, remains strictly confidential. Privacy isn't just a promise; it's a standard we uphold on every flight.

■ Expertise

Our seasoned aviation professionals bring years of specialized knowledge and practical experience to every engagement. Understanding the nuances of corporate aviation, our team proactively anticipates your needs, providing insightful recommendations that ensure smooth operations and successful outcomes for your flight department.

■ Personalized Solution

Recognizing that every corporate operation has unique requirements, our team excels in tailoring bespoke aviation solutions specifically to your organization's objectives. Through attentive listening, precise execution, and adaptive problem-solving, we ensure our service seamlessly aligns with your internal standards and distinct operational needs.

Our Partners

Our ever-growing network of exclusive partnerships provides unmatched benefits for both the luxury consumer and flight operation teams. From tailored travel itineraries to exceptional hotel privileges and luxury villa stays, we are committed to becoming your single-source solution for effortless, premium travel.
